Stay in the loop!

The California Energy Commission distributes updates and information on news, programs, and events for almost 100 energy-related topics.

RECEIVE EMAIL UPDATES

2021 Energy and Sustainability Awards Nominations Close July 29

The 2021 Board of Governors Energy and Sustainability Awards Program recognizes leaders and excellence in energy efficiency and sustainability efforts at California community colleges throughout the state. [Learn more here.](#)

SUBMIT A NOMINATION

Scheduled Maintenance Budget

On June 30th, the Legislature passed key bills to implement the [Final Budget Agreement](#), including Capital Outlay, Student Housing, and Deferred Maintenance.

The budget includes \$840.7 million General Fund for deferred maintenance for community colleges. The funds shall be available for encumbrance or expenditure until June 30, 2027. Eligible projects include energy efficiency projects. Read more [here](#).

Maximize your savings!

Sustainability Projects

Share your planned and potential projects to receive support from Investor-Owned Utilities and the California Energy Commission.

Don't get fined or left behind!

Start Benchmarking

California's Building Energy Benchmarking Program requires campuses to report energy use to the California Energy Commission (CEC) annually. Here's how to comply:

1. Open an account in [ENERGY STAR Portfolio Manager](#).
2. Add your campus(es) to your account.
3. Enter the energy use data or set up automatic monthly data uploads from your utilities provider.
4. Click the reporting link on the [CEC's benchmarking page](#).
5. Submit your report from within Portfolio Manager.

Contact Lisa Imai at limai@fpps.us for assistance!

[START BENCHMARKING](#)

ENERGY STAR

Higher Education Benchmarking Initiative

Already tracking your energy use in Portfolio Manager? See how your campus compares to peer institutions by participating in the [ENERGY STAR Higher Education Benchmarking Initiative](#).

The EPA is offering colleges a free, individualized scorecard showing how their campus performance compares against peers. Reporting is open July 1 through September 1, 2022. To participate, submit energy (and optionally water) data and gross floor area through ENERGY STAR Portfolio Manager and respond to a supplemental survey. [Follow the instructions here](#).

WHAT DO YOU WANT TO SEE?

Follow the CCC/IOU Partnership Newsletters to stay up to date on energy efficiency resources, savings, and projects for California Community Colleges.

Contact Statewide Outreach Manager Ron Beeler at ronbeeler@fpps.us with suggestions or resources to include in future communications.
